Dental Passport
SAVINGS PLAN®

A Unique Dental Savings Plan Offered by Lee Dental Centers.

THE PLAN

Our licensed Dental Passport Savings Plan is designed to help small businesses provide affordable dental care to their employees and families. With a one-time enrollment fee, employers can arrange to either (1) fully sponsor the plan for their employees or (2) pass this great benefit along to their employees to pay for individually.

ONE-TIME ENROLLMENT FEES¹ THAT WILL MAKE YOUR EMPLOYEES SMILE

Our Plan gives employees access to experienced, qualified dentists throughout the San Antonio Area.

Individual	\$116 (\$9.6/month)
Couple	\$152 (\$12.6/month)
Individual & eligible family members	\$156 (\$14.6/month)

¹ Must be paid in full upon initial enrollment.

THE BENEFITS

DENTAL PASSPORT SAVINGS PLAN²

With our savings plan, small businesses can rest easy knowing that they can offer their employees a valuable, affordable, easily administered dental plan that can help keep them and their families healthy and happy at work and home.

Once enrolled in our plan, employees will have access to discounts on almost all dental procedures, including cosmetic and specialty dental care. We look forward to serving you and your employees with compassion and care.

This is not dental insurance. There are **no limitations, exclusions, maximums or waiting periods.**

- Employee **discounts up to 50%** on popular services, including **orthodontics, implants and cosmetic** procedures
- Services from **compassionate and experienced** dentists and specialists
- Plan options for **employee, spouse, and eligible family members**
- Can be used without insurance or combined with other dental insurance plans
- Employees **do not have deductibles to reach** or claim forms to file
- **No employee annual maximums or frequency limitations**
- **No waiting period** – employees may schedule visits right away
- **One-time enrollment fee** for lifetime of the membership

²The Dental Passport Savings Plan is a membership program that offers discounts for most dental services through participating providers. This is not an insurance plan. After an initial enrollment fee, patients will be charged a \$10 Dental Passport utilization fee for any appointment.

We recognize that providing affordable dental care for employees can be a challenge for many small

THE SAVINGS

businesses. At Lee Dental, we understand firsthand the difficulties that come with providing dental insurance to all employees while operating under budget constraints and limited resources. Neglecting dental care can lead to painful dental problems like tooth decay and gum disease, which can ultimately take a toll on an employee's overall health.
